Fares

The fares on the Connector Service are the same as the rest of PSTA's local system. Reduced fares are available for qualified riders with proper ID and multi-ride passes, called GO Cards, are also accepted. For detailed fare information, please call the InfoLine or visit PSTA.net where you can also buy tickets online.

Real Time Bus Info

Connector buses might be smaller than our regular fleet of buses, but they're still equipped with all of the technology we use to provide you with Real Time Bus Info. Follow the simple instructions on the Real Time sign at your bus stop, or visit RidePSTA.net, to find out when the next Connector bus will arrive. (Real Time info provided when the bus is up to 30 minutes away.)

Two Ways to Ride

With convenient Monday through Saturday service, affordable fares, accessible vehicles, and flexible routing PSTA's new service is your connection to living, working, and playing!

1. Board at a Stop

1. Go to the nearest bus stop or wait near the curb.
2. Wave to the Bus Operator.
3. Board through the front door – be sure you have your exact fare ready.
4. Have a seat, and enjoy the ride.

(When you're ready to get off the bus, ring the bell before your stop.)

2. Traveling Off the Preset Route

PSTA's Connector Service is designed to come to you. If you need the bus to pick you up, we'll need you to make a reservation by calling the InfoLine at (727) 540-1900 and choosing option 2. Your pick up and/or drop off location must be within $\frac{3}{4}$ of a mile of the preset routing, and you can book your trip a minimum of 2 hours or up to 3 days in advance. Remember to arrange your return trip at the same time.

Destinations
