

DYNAMIC MESSAGE SIGNS

PSTA's Real Time Bus Info system includes Dynamic Message Signs at many major terminals and transfer points, which will tell you when the next bus will depart.

ON BOARD MESSAGE SIGNS

Special signs are also located inside every bus that will list the next upcoming major intersection along the route you're riding.

ON BOARD ANNOUNCEMENTS

The Real Time Bus Info system will automatically make an announcement informing riders of the next intersection, and will announce stops as they're requested.

INTRODUCING

REAL TIME BUS INFO

REAL TIME BUS INFORMATION

PSTA is pleased to introduce you to Real Time Bus Information. The system works with GPS technology and allows PSTA to pinpoint each vehicle's exact location at all times. This means we can provide reliable, real-time departure information when the bus is up to 30 minutes away.

This sign will show you all of the ways you can find out exactly when the next bus will serve your stop.

PHONE

Call the InfoLine and provide your bus stop number to find out when the next bus will depart.

ONLINE

Visit the Real Time Bus Info website at www.RidePSTA.net and enter your bus stop number to find out when the next bus will depart. You can also sign up for alerts and create an account with your personal settings.

TEXT

Enter 41411 in the "To" box of your phone's text messaging feature, and enter "PSTA" followed by your bus stop number as the message. You will receive a text back to your phone with the next three departure times.

SCAN

Install a barcode reader on your smartphone and scan the QR barcode to get directly to the online system. Enter your bus stop number to find out when the next bus will depart.

STOP

Each bus stop has a unique bus stop number. You will use this number to get departure information through the Real Time Bus Info system.
