

PSTA Shelter Program Phase 2 Deployment

Transit Riders Advisory Committee
Planning Committee
January 2016

Background – 740 Bus Shelters

- **Critical Role of Shelters in System:**
 - Provide comfortable and safe waiting environment
 - Create more attractive customer experience

- **Current Status of Shelters**
 - No New Basic Shelters in 3 Years.
 - Most “critical” shelters maintained with parts from other shelters in the system.

Recommended Distribution Strategy

1. Focused on maximizing the impact on customer needs
2. Support community development, revitalization plans and upcoming projects
