SUBJECT: Review of Pricing Proposal—Gillig

A handwritten signature in blue ink is located to the right of the "FROM:" line. The signature appears to be "HL" or similar initials.

After an extensive review of the price proposal submitted by Gillig, in response to RFP#21-980369—Florida Electric Transit Buses with Charging and Associated Equipment, I find the pricing for the base bus models, optional onboard vehicle equipment, and charging equipment to be fair and reasonable as it pertains to the technical specifications contained within the RFP.
