SUBJECT: Review of Pricing Proposal—New Flyer of America

After an extensive review of the price proposal submitted by New Flyer of America, in response to RFP#21-980369—Florida Electric Transit Buses with Charging and Associated Equipment, I find the pricing for the base bus models, optional onboard vehicle equipment, and charging equipment to be fair and reasonable as it pertains to the technical specifications contained within the RFP.

If there are any questions, please do not hesitate to contact me.
