We are unable to find out the substantive claims made by SEPTA against Proterra. Apparently, the rules in Pennsylvania are quite different than here, and SEPTA never filed a complaint. The case has been dismissed pursuant to an agreement of the parties. I think it would be reasonable to ask Proterra to provide an explanation of the claims and how the matter was resolved.

Good Afternoon Alan,

As you know we are the lead Agency for the electric bus buy. Could you please let me know if this is something that we need to be concerned about. The reason I'm asking is because there is a strong likelihood they will be awarded a contract.
