Connecting Southern Pinellas County to Downtown St. Pete and the Beach

PSTA is launching a high-frequency premium bus service along 34th Street South between Grand Central Station and Eckerd College. With stops in the Skyway Marina District and serving businesses, schools, and key destinations in the corridor on the way to Grand Central Station, Spark will offer students and residents easy connections to the SunRunner and other routes serving the rest of the county.

Service Highlights:

Operates 5am to midnight, with **15-minute frequency** from 6am–8pm and **30-minute frequency** from 5am–6am and 8pm–midnight

Includes **18 upgraded stations** with real-time bus information, shelters, and lighted totems

Buses **stop at all designated stations automatically**, ensuring a predictable and efficient experience

Powered by a dedicated sub-fleet of **all-electric buses**

Features both **cash and cashless fare options** for convenient front- or rear-door boarding (cash accepted at front door ONLY)

Benefits for Students & Faculty:

- Safer and more cost-efficient transit options for non-driving students and faculty
- Comfortable, smooth rides on our clean all-electric fleet
- Enhanced access to the free Central Avenue Trolley and the SunRunner, which provides rapid transit between St. Pete Beach and downtown St. Petersburg
- Abundant route connections at Grand Central Station, including routes 5, 9A/9B, 11, 18A/18B, 34, and 66*
- Even more route connections in Downtown St. Pete, including routes 4A/4B, 5, 9A/9B, 16, 20, 22, 24, 29, 38, and 49*

* These route numbers are based on the updated bus network effective October 26, 2025
